STAT

[REDACTED]

I was most pleased to meet you at the December Science and Technology Advisory Panel meeting, and I want to take this opportunity to welcome you to the Panel officially.

STAT
STAT

I believe your distinguished background in biochemistry and molecular biology will strengthen the Panel's expertise in those areas. I also believe that your experience [REDACTED] [REDACTED] will provide a broadening perspective on S&T intelligence issues, which will serve the Panel well. As you know, in the coming months STAP will be examining a number of topics which bear heavily on our national security. I am confident your participation in these efforts will be of great value to all concerned.

Once again, welcome aboard. I look forward to working with you.

Sincerely,

William J. Casey
